Apprenticeships In Sussex

Watch this space...!

We are planning a series of activities from Sep 2017 – December 2018, as part of the SLN National Collaborative Outreach Programme.

Details to be confirmed in coming weeks.

- Workshops, talks and presentations at over 90 schools in East Sussex, West Sussex & Brighton & Hove (for years 9-13)
- Maintaining and extending Apprentice Ambassador programmes
- More focus on Higher and Degree vocational learning and routes into L3 and then pathways beyond
- Localised resources and information for parents, carers and community groups
- Community events and engagement activities
