Prison Education Dynamic Purchasing System

A DPS is a digital framework which will provide a more flexible way for governors to purchase education services, separate to the Prison Education Framework (PEF). The design of the DPS means that it is accessible for all kinds of suppliers.

Supplier self selects
the competitions
they want to enter

✓ **Simplicity** – The DPS is easy to join and easy to bid for call-offs

✓ **Fairness** – Governors will be required to use fair and transparent evaluation for all values

✓ **Regularity** – Opportunities appear throughout the year rather than a specific points
