

The GLA has published a [Skills for Londoners Framework](#) which sets out the Mayor's priorities for AEB. In the first year of devolution, the GLA will continue to provide grant funding to those organisations that are delivering provision to London residents in line with the value of that delivery in 2017/18.

If you are a provider based outside of London expecting to deliver more than £100,000 value of provision to London residents in 2017/18 funded by ESFA, you will be able to request grant funding up to the value of your actual delivery from the GLA in 2019/20 (subject to meeting satisfactory due diligence checks). The GLA will be holding the following briefing sessions for providers and if you meet the above criteria you are invited to attend one.

13th July 3:30 – 5:30pm

City Hall, Queens Walk, London, SE1 2AA

16th July 10.00am – 12noon

City Hall, Queens Walk, London, SE1 2AA

If you would like to attend a briefing session please get in touch at aeb@london.gov.uk and indicate the session you wish to attend. Please note that these briefing sessions are suited **only** to those organisations that hold an existing grant agreement with the ESFA for delivery of provision to London residents in 2017/18. If you do not hold a grant agreement, or you hold a contract for services secured through procurement, then GLA will be launching a procurement process later in the year to which you can tender.
