

Advertise your apprenticeships and traineeships for FREE during September.

Exam results have been collected and students all over the country are making plans for their future. LoveLocalJobs.com has always been passionate about helping to raise the career aspirations of local people, and in particular focussing on our next generation.

Alongside the launch of the LoveLocalJobs Foundation in October and our commitment to support the young people in our communities, we have decided to offer FREE advertisements* in September for any apprenticeship or traineeship roles in Brighton, Gatwick and across the South East.

No catches - just our way of giving a helping hand in the pursuit of happy, healthy and fulfilling careers with great local employers.

You might say we're sharing the LOVE :)
