

Dear Training Providers

To celebrate National Apprenticeship Week 2019 Brighton and Hove City Council are sponsoring an Apprenticeship Away day for apprentices that live or work in the city and between 16 and 26 years old.

The free event will be packed with challenging and exciting activities ending in an Apprenticeship Team Challenge.

The event will be held at the iconic AMEX Stadium and delivered by Albion in the Community who will also provide a unique behind the scene tour.

The programme will enable apprentices to consider their ambitions for the future. Helping to build and develop skills in negotiation, communications, planning, presentation and building confidence.

Attendees will be challenged and encouraged them to push themselves out of their comfort zones within a safe and non-judgemental environment.

Please could you distribute to your employers and apprentices.

For further information please contact Gavin Graham at apprenticeships@brighton-hove.gov.uk
