

# Think FUTURES

## Career support for young people not in education, employment or training (NEET)

Our Careers Advisers provide 1:1 impartial career advice, guidance and support to help young people access college courses, apprenticeships, training and employment.

Our priority is to support NEET young people aged 16-18 or up to aged 25 if they have had an Education, Health and Care Plan (EHCP).

Contact us to register to receive 1:1 support:
